HR70-14

DAILY STAFF MEETING

Tuesday, 9 October 1951

[] reported that:

- a. []
- b. The number of [] reports being evaluated by State had tripled in the past few months and these evaluations are much better than those previously received.
- c. Mr. Long has been spending some time with FDD and believes that the function of this Division should be reexamined. Mr. Larocque noted that Mr. Jackson was presently conducting a survey of [] and directed that any recommendations made pertaining to FDD first be discussed and cleared with Mr. Jackson.

Colonel Hansen reported that:

- a. George Carey had called and informed him that General Bor-Comorowski, leader of the Polish Underground during WW-II, was in this country under the auspices of the Polish-American Congress and would like to see Secretary Lovett for "a few minutes".

HR70-14

[] and in any event if it was decided that General Bor-Comorowski see Mr. Lovett it should be made clear that he was not being sponsored by CIA.

- b. Congressman Mahon had indicated that his Committee might require a further briefing on our new building. However, there is no way of determining at this time when this briefing will take place. A memorandum to this effect is being prepared for information of the DCI.
- c. Drew Pearson is possibly preparing an article on super-grades in the Government, in which CIA will figure predominantly. It was noted that Mr. Wolf

had already talked to Budget on this subject,
and that his office had figures available showing
breakdown of super-grades in CIA.
